

# Absorbent Granules

VARIOUS SIZES

Absorbent granules assist in the speedy removal of body fluid spills and reduce the risk of cross contaminating the surrounding areas

## Features:

- Non-toxic, non-corrosive, non-bleaching; can be used on practically any surface
- Suitable for cleaning up blood, urine and emesis spills
- Once the granules are placed on a spill, they react with the spill contents to form a gel. The gel can be easily scooped up and disposed of thereby eliminating the spillage
- Available in 100g bottle or 1kg bag

## Variations, Product Codes & Item Dimensions:

| Product Variation | Order Code     | Dimensions    | Weight |
|-------------------|----------------|---------------|--------|
| 100g              | REF:ABS.G.100G | 13 x 4 x 4cm  | 110g   |
